Greek

18-03-1966

Married with one child

Female

Medical field

Cytopathologist, MD, PhD

Work experience

Dates

2006- Today

Occupation or position held
Main activities and responsibilities

Consultant Cytopathologist, Department of Pathology, University Hospital of Larisa Greece
The department serves about 8000 Cytopathology cases per year, mostly non gyn cases, including 700 FNAs that I personally perform.

Type of business or sector

Public Hospital

Dates

1998 – 2006

Occupation or position held
Main activities and responsibilities

Consultant Cytopathologist, Cytology Laboratory of Social Insurance Institution in Serres Greece
The laboratory served about 3000 cases per year, mostly test Pap and other non gyn cases.

Type of business or sector

Public health care

Dates

1996 – 2006

Occupation or position held
Main activities and responsibilities

Scientific and Administrative responsibility in Private Cytology Laboratory, Serres Greece
The laboratory served about 8000 cases per year (test Pap and other non gyn cases), including service of all Cytology specimens of General Hospital of Serres.

Type of business or sector

Private Health care

Dates

1993 - 1996

Occupation or position held
Type of business or sector

Fellow In Cytopathology – Theagenion Anticancer Hospital of Thessaloniki, Greece
Public Hospital

Dates

1990-1993

Occupation or position held

Senior House officer for Special training in Pathology - AHEPA University Hospital and Hipocraton General Hospital, Thessaloniki, Greece.

Type of business or sector

Public Hospital

Education and training

Dates

September 2000

Title of qualification awarded
Name and type of organization
providing education and training

PhD (Thesis) in Pathology - Grade "Excellent"

Thesis title: "Effects of dietary tannic acid administration in tissues and organs of C3H male mice – study at the cellular level", Democritus University of Thrace, Alexandroupolis, Greece
