

RESUME

Dr. Epameinondas Evergetis

April, 2017

Personal Elements

Name: Epameinondas Evergetis
Date & place of birth: 4 April 1970, Athens, Greece
Professional status: Freelancer
Family status: Married - one child
Home address: 08 Bouboulinas str. 16675, Glyfada, Greece
Tel.: +30 697 2838248 (mobile).
E-mail: epaev@mac.com

Studies

- Post-doc in «*Development of new specialized regulators of estrogens receptors with objective the mitigation of menopause consequences*», National Kapodistrian University of Athens, School of Pharmacy, (October, 2015)
- Ph.D. in Agricultural Sciences, under the Chemistry Lab, entitled: “*Ethnobotany, Essential Oils and Chemotaxonomy of Greek Umbelliferae*” (March, 2013).
- M.Sc. in Agricultural Science & Engineering, under the Horticulture Lab, entitled: “*Adaptation of Bonsai Cultivation by Indigenous Greek Plants*” (March, 2000).

Languages

- Mother: Greek (Excellent)
- Certified: English (Excellent)
- Empeiric: Spanish (Fair), German (Poor)

Skills & Experties

- Collection, identification and documentation of herbal biological material.
- Isolation and structural elucidation of natural products
- Ethnobotanical documentation of agricultural and natural products
- Rural development planning
- Registration of agricultural PDO, PGI and TSG products
- Quality Systems development, application and verification (ISO: 9001, 14000, 22000; HACCP, AGRO)
- Computer Software: Chromatography, Spectroscopy, Statistical Analyses, Chemistry, Word and Image Processing,

Employment Record

02/2016 - present	Agricultural University of Athens , Post-doc Researcher
05/2014 – present	Hellenic Agricultural Organization DEMETER , Post-doc Researcher
07/2014 – 09/2015	National Kapodistrian University of Athens , Post-doc researcher
05/2013 - 06/2014	Hellenic Agricultural Organization DEMETER , Scientific advisor
02/2013 - 08/2014	Agricultural University of Athens , Researcher
06/2011 - 03/2012	Cell of Alternative Youth Activities , Researcher
05/2010 - 04/2011	Hellenic Foundation for European & Foreign Policy , Researcher
01/2010 - 12/2012	Hellenic Society for the Environment & Cultural Heritage , Director
02/2009 - 12/2009	Hellenic National Television , Scientific Advisor
09/2008 - 01/2009	Iamata Ltd , Project manager
09/2007 - 08/2008	Lotus SA , Project manager
05/2003 - 12/2006	Agricultural University of Athens , Researcher
03/2002 - 04/2003	Hellenic Society for the Environment & Cultural Heritage , Project manager
12/2002 -12/2005	National Kapodistrian University of Athens , Researcher
09/2001 - 11/2002	European Cultural Center of Delphi , Project manager

Vocational Training

- «Environment & Sustainability, State—Justice—Public Policy» (2004), two semester course run by the Environmental & Sustainable Development Chamber of Greece & United Nations Environmental Program, Athens, Greece.
- “Composition of Action and Improvement Plans for Agricultural Businesses” (2001), one semester course run by the Geotechnical Chamber of Greece, Athens, Greece.
- “Development & Appliance—Verification & Inspection HACCP” (2001), one semester course run by the Continuing Education Center of the National Technical University of Athens, Athens, Greece.
- “Wastewater and solid wastes management” (2000), one semester course run by the Hellenic Company for Local Authorities Development, Athens, Greece.

Conferences, Symposiums, Workshops & Seminars

- “DG ENV Workshop on biodiversity proofing of the EU budget” (2012), hosted by DG Environment at the Committee of the Regions, Brussels, Belgium.

- “The art & Science of Negotiation” (2012), Crash-course held by Harvard’s Kennedy School and hosted by Athens Information Technology, in Athens, Greece.
- “Leading in Times of Crisis: Strategies for adopting to Continuous Disruption” (2012), Crash-course held by Harvard’s Kennedy School and hosted by Athens Information Technology, in Athens, Greece.
- «Assessment of Forest Fire Risks and Innovative Strategies for Fire Prevention» (2010), Workshop held by the Ministerial Conference on the Protection of Forests in Europe, Forest Europe Liaison Unit Oslo, in Rhodes, Greece
- «Mercury-containing lamps under the spotlight» (2008), Conference organized by the Federation of Environmental Citizens Organizations (www.eeb.org), Brussels, Belgium.
- «Climate Change & Human Security» (2008), Conference organized by Hellenic Republic, Ministry of Foreign Affairs, Athens, Greece.
- «Greek Fire Prevention Symposium» (2008), Conference organized by Harvard University, Athens, Greece.
- «2nd International Symposium on Chemistry of Herbal Medicine and Mongolian Drugs» (2006), Conference organized by the Traditional Medical Science, Technology and Production Corporation of Mongolia & Association for Physicians and Scientists of Mongolian Traditional Medicine, Ulaanbaatar, Mongolia.
- «3rd International Symposium on Chromatography of Natural Products» (2002), Conference organized by the International Chromatography Society, Lublin, Poland

Social & Volunteer Activities

- Scientific Advisor, tender to Organization Earth’s administrative board.
- Registered member of the Hellenic Society, for the protection of nature and cultural heritage, Nature Council (www.ellet.gr).
- Registered member of the Environmental & Sustainable Development Chamber of Greece (www.sustain-environ.gr).
- Registered member of the Geotechnical Chamber of Greece.

Scientific Experience

I. Administrative

- Substitute member in the administrative board of the Parnassos Natura 2000 site competent authority (2006-2011)
- Member of the joined work group between Greek Ministry of Environment & Climate Change and Greek NGOs for the composition of the national biodiversity strategy and action plan.

II. Field

- Systematic floristic studies (2001-2008)
- Localized and targeted plant material sampling (2009-ongoing)

III. Laboratory

- Isolation, analysis and structure elucidation of natural products (2003-ongoing)

IV. Teaching & Tutoring

- Lecture on Toxic Plants in the course of the M. Sc. in Toxicology, Department of Biochemistry and Biotechnology, University of Thessaly, 2017.
- M. Sc. Theses (Unofficial participation):
 - ✓ Karousou Eleni: «*Essential Oil study of indigenous in Greece Fabaceae plants*», Agricultural University of Athens, **2014**
 - ✓ Vreli Alexandra: «*Study highlighting the differentiation of Allium L. traditional agricultural crops*», Agricultural University of Athens, **2013**
 - ✓ Vourlioti-Arapi Filio: «*Study of the Greek Juniperus essential oils: Chemical systasis and bioactivity*», Agricultural University of Athens, **2010**
- Bachelor theses (Unofficial participation):
 - ✓ Michelakis Evangelos: «*Study of distillation parameters in the systasis of Cretan Artemisia arborescens L. essential oil: chamazulene concentration and chemotypes designation*», Agricultural University of Athens, **2006**
 - ✓ Katsoula Anna-Maria: «*Biocitivity of Juniperus oxycedrus ssp. oxycedrus fruit essential oil in post harvests insects - Sitophilus oryzae, Tribolium confusum – and acari - Tyrophagus putrescentiae*», Agricultural University of Athens, **2005**

- Teaching and supervision of the 1st and 2nd semesters' Chemistry laboratories of the Agricultural University of Athens (2001-2003)

VI. Referee in International Scientific Journals

VII. Reviewer

- *World Conservation Congress 2016, held by the International Union for the Conservation of Nature (IUCN) in Hawaii, U.S.A.: Technical Review of the proposals that will form the agenda of the IUCN World Conservation Congress, Hawai'i 2016.*
- *Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES) Regional Assessment for Europe and Central Asia (ECA), review of the Sections on:*
 - *Provision of Medicinal resources*
 - *Contributions to Physical, Mental and Emotional Health.*

Research Experience

I. International Research Projects

1. “A novel approach for accounting & monitoring carbon sequestration of tree crops and their potential as carbon sink areas – CLIMATREE” (LIFE14 CCM/GR/000635)
Total Budget: 1.931.447 €
Research Institute of Urban Environment and Human Resources, Panteion University
External Expert, responsible for the project’s concept development and supervision of proposal preparation.
2. “CONOPS: Development & demonstration of management plans against -the climate change enhanced- invasive mosquitoes in S. Europe”, LIFE12 ENV/GR/466,
Agricultural University of Athens
Post-Doc Researcher, responsible for the selection, collection, identification, documentation and extraction of herbal material; the chemical analyses of the extracts and the preparation of the bioassay samples.
3. “Demonstration of the Biodiversity Action Planning approach, to benefit local biodiversity on an Aegean island, Skyros” (LIFE09 NAT/GR/323)
Hellenic Society for the Environment & Cultural Heritage
Scientific Coordinator of the project for the Hellenic Society’s project team, responsible for the for the project’s concept development and communication with coordinating beneficiary, the composition of reports and financial management of Hellenic Society actions.
4. “Training Mediterranean local authorities and civil organizations on integrated coastal management and reactions to the impacts of climate change” - LitusGO -(502132-LLP-1-2009-1-CY-LEONARDO-LMP)
Hellenic Society for the Environment & Cultural Heritage
Scientific Coordinator of the project for the Hellenic Society’s project team, responsible for the communication with coordinating beneficiary, the composition of reports and financial management of Hellenic Society actions.
5. “Movement of Volunteers for Parks”, MVP (European Voluntary Service/09/EL-118),
Cell of Alternative Youth Activities
Researcher, responsible for the initial planning, materialization, communication and dissemination of a study on the volunteer movement in urban parks of Athens.

6. “Fire RestorAtion Methodology for MEditerranean Forests – environmental safety & sustainability of 4 interventions in the Rhodes NATURA 2000 site – FRAMME” (LIFE08 NAT/GR 000533)

Hellenic Society for the Environment & Cultural Heritage

Project Coordinator, responsible for for the project’s concept development, supervision of proposal preparation, project administration, representation of project in the communications with the Committee, composition and submission of project reports and the project’s financial management.

7. “CALCHAS: Development of an integrated analysis system for the effective fire conservancy of forests”, LIFE08 ENV/GR/558,

Agricultural University of Athens

Post-Doc Researcher, acting as a substitute Scientific coordinator responsible for the communication with the coordinating beneficiary, the composition of reports and financial management for the Agricultural University of Athens actions.

II. National Research Projects

1. «Development of new specialized regulators of estrogens receptors with objective the mitigation of menopause consequences»

National Kapodistrian University of Athens, Thalis: MIS 375617.

Post-Doctoral Fellow, responsible for the selection, collection, identification, documentation and extraction of herbal material; the chemical analyses of the extracts and the preparation of the bioassay samples.

2. «Registration of traditional designation in regard with tobacco products of Sterea Hellas» Sertiko.

Hellenic Agricultural Organization DEMETER, AgroRETECH, Project Number:3249/71

Researcher (project beneficiary), responsible for the project’s concept development, proposal preparation materialization, the planning and execution of the dissemination and training activities.

3. «Exploitation of winery wastes and buproducts for the production of raw materials for the pharmaceutic, cosmetic and food industries and the development of foodd supplements.

General Research & Technology Secretariat (Ministry of Development, Greece),
Exploitation of Research Results Programm (2004-2006)

Researcher, responsible for the processing and compilation of the experimental data and the composition and presentation of the final deliverables (product specification, business plan, production flow diagrams etc)

4. «Application of novel drug delivery technologies targeting the exploitation of bioactive herbal natural products. Development of new medicines and cosmetics»

General Research & Technology Secretariat (Ministry of Development, Greece), Exploitation of Research Results Programm (2004-2006)

Researcher, responsible for the processing and compilation of the experimental data and the composition and presentation of the final deliverables (product specification, business plan, production flow diagrams etc)

5. «Cultivation, processing and marketing of organic Greek aromatic and pharmaceutical plants. Application of novel technologies for the isolation of the bioactive ingredients»

General Research & Technology Secretariat (Ministry of Development, Greece), Exploitation of Research Results Programm (2004-2006)

Researcher, responsible for the processing and compilation of the experimental data and the composition and presentation of the final deliverables (product specification, business plan, production flow diagrams etc)

6. Exploitation of tomato & fruit industry byproducts through the recovery of high added value bioactive ingredients, for the benefit of SERKO SA.

General Research & Technology Secretariat (Ministry of Development, Greece) call for International Cooperation in Industrial Research & Development Actions 05 (2006-2007).

Total Budget: 379.000 €

External consultant, of the Agricultural University of Athens responsible for the proposal's planning and composition.

7. Outline of the special characteristics of the Thessaly wine spirit in order to produce high quality "Tsipouro", for the benefit of Tirnavos Wine Partnership.

General Research & Technology Secretariat (Ministry of Development, Greece) call for International Cooperation in Industrial Research & Development Actions 05 (2006-2007).

Total Budget: 206.270 €

External consultant, of the Agricultural University of Athens responsible for the proposal's planning and composition.

8. Exploitation of Santorini's Traditional Agricultural Products Special Characteristics aiming to High Added Value Products development, for the benefit of the Union of Agricultural Partnerships of Thera.

General Research & Technology Secretariat (Ministry of Development, Greece) call for International Cooperation in Industrial Research & Development Actions 03 (2004-2006).
Total Budget: 379.000 €

External consultant, of the Agricultural University of Athens responsible for the proposal's planning and composition.

III. Development Programmes

1. Elaboration of Innovative Research and Technology Development Projects of the Agricultural Sector (AgroRETECH, 2013)

Hellenic Agricultural Organization DEMETER

Total Budget: 9.000.000,00 €.

External consultant, of the Hellenic Agricultural Organization DEMETER responsible for the proposal's planning and composition.

2. «Olympia's Local Action Plan». Leader call for proposals of the national rural development programm 2007-2013 «Al. Baltatzis» (2009).

Development Agency of Olympia S.A.

Total Budget: 11.032.296,54 €.

External consultant, responsible for the proposal's planning and composition.

3. «Industrial Unit for the exploitation of Amorgos pharmaceutical and aromatic plants», LEADER+ call 2000-2006 (2008)

Iamata Ltd

Total Budget: 76.364,74 €.

External consultant, responsible for the proposal's planning and composition and the development of the unit's Quality Assurance System

4. «Fostering of Armenia's Agriculture Development».

Hellenic Ministry of Foreign Affairs, HellenicAid call (2006-2007)

Total Budget: 530.000 €.

External consultant, responsible for the proposal's planning and composition.

Publications

I. Theses

1. «Ethnobotany and Phytochemistry of Greek Umbelliferae: Study of their essential oil systasis, bioactivity and chemotaxonomic implications»
Ph. D. Thesis supervised by Prof. S.A. Haroutounian
Laboratory of Chemistry, Agricultural University of Athens, 2013
2. «Adaptation of Bonsai culture by Greek indigenous plants».
M. Sc. Thesis supervised by Prof. M. Papafotiou
Laboratory of Horticulture and Landscaping, Agricultural University of Athens, 2000

II. Journal Papers

1. Exploitation of *Artemisia arborescens* as a Renewable Source of Chamazulene: Seasonal Variation and Distillation Conditions
E.C. Michelakis, **E. Evergetis**, S.D. Koulocheri and S.A. Haroutounian*
Natural Products Communications, **2016**, 11, 1513-1516
IF: 0,906 Citations: -
2. Seasonal variation and bioactivity fluctuation of two *Juniperus* sp. essential oils against *Aedes (Stegomyia) albopictus* (Skuse 1894)
E. Evergetis, A. Michaelakis, D. P. Papachristos, E. Badieritakis, V. N. Kapsaski-Kanelli and S. A. Haroutounian
Parasitology Research, **2016**, 6, 2175-2183.
IF: 2,027 Citations: 2
3. The Umbelliferae (Apiaceae) of Dioscorides annotated in Codex Neapolitanus Graecus #1
E. Evergetis* and S.A. Haroutounian
Journal of Ethnopharmacology, **2015**, 175, 549-566.
IF¹: 3,055 Citations²: 2
4. Exploitation of Apiaceae Family Plants as Valuable Renewable Source of Essential Oils Containing Crops for the Production of Fine Chemicals. Part II
E. Evergetis, S. Koulocheri and S.A. Haroutounian*
Industrial Crops and Products, **2015**, 64, 59-67
IF: 3,449 Citations: 1
5. Exploitation of Apiaceae Family Plants as Valuable Renewable Source of Essential Oils Containing Crops for the Production of Fine Chemicals
E. Evergetis and S.A. Haroutounian*

Industrial Crops and Products, **2014**, *54*, 70-77

IF: 3,449 Citations: 9

6. Exploitation of Apiaceae family essential oils as potent biopesticides and rich source of phellandrenes

E. Evergetis, A. Michaelakis and S.A. Haroutounian*

Industrial Crops and Products, **2013**, *41*, 365– 370

IF: 3,449 Citations: 15

7. Insecticidal efficacy of the silica gel with *Juniperus oxycedrus* L. ssp. *oxycedrus* essential oil against *Sitophilus oryzae* (L.) and *Tribolium confusum* Jacquelin du Val

C. Athanassiou, N. Kavallieratos,* **E. Evergetis**, A.M. Katsoula and S.A. Haroutounian

Journal of Economic Entomology, **2013**, *106*, 1902-1905

IF: 1,609 Citations: 13

8. Chemical and Biological Activity of Essential Oils of Two Populations of Algerian *Daucus setifolius* Desf

H. Laouer,* A. Bouheda, S.A. Haroutounian, **E. Evergetis**, M. Bouchekrit, F. Sahli, N. Boulaacheb and S. Akkal

Pharmacognosy Communications, **2013**, *3*, 7-11

IF: - Citations: 1

9. Essential oils of six indigenous in Greece *Juniperus* taxa, Chemical composition and larvicidal activity against the West Nile virus vector *Culex pipiens*

F. Vourlioti-Arapi, A. Michaelakis, **E. Evergetis**, G. Koliopoulos and S.A. Haroutounian*

Parasitology Research, **2011**, *110*, 1829-1839

IF: 2,027 Citations: 10

10. First record of *Lixus umbellatarum* Fabricius (Coleoptera: Curculionidae) in Greece, on the medicinal herb *Opopanax chironium*.

C.Th. Buchelos and **E. Evergetis***

Hellenic Plant Protection Journal, **2011**, *4*, 53-56

IF: 0,260 Citations: -

11. Chemical composition and larvicidal activity of essential oils from six Apiaceae family taxa against the West Nile virus vector *Culex pipiens*.

E. Evergetis, A. Michaelakis, E. Kioulos, G. Koliopoulos and S.A. Haroutounian*

Parasitology Research, **2009**, *105*, 117-124

IF: 2,027 Citations: 31

12. Correlation between Chemical Composition of Greek Essential Oils and their

Antibacterial Activity against Food-borne Pathogens

N.G. Chorianopoulos, **E. Evergetis**, N. Aligiannis, S. Mitakou, G.-J.E. Nychas and S.A. Haroutounian*

Natural Products Communications, **2007**, 2, 419-426

IF: 0,906 Citations: 6

13. A newly developed assay to study the minimum inhibitory concentration of *Satureja spinosa* essential oil

N.G. Chorianopoulos, R.J.W. Lambert, P.N. Skandamis,* **E. Evergetis**, S.A. Haroutounian and G.-J.E. Nychas

Journal of Applied Microbiology, **2006**, 100, 778-786

IF: 2,156 Citations: 27

14. Characterization of the Essential Oil Volatiles of *Satureja thymbra* and *Satureja parnassica*: Influence of Harvesting Time and Antimicrobial Activity

N.G. Chorianopoulos, **E. Evergetis**, A. Malouchos, E. Kalpoutzakis, G.-J.E. Nychas and S.A. Haroutounian*

Journal of Agriculture and Food Chemistry, **2006**, 54, 3139-3145

IF: 2,857 Citations: 51

III. Book Chapters

1. Evaluation of the impacts expressed and expected to be expressed in Greek economy the policies funded by the European Union budget

G. Glynos, W. Fishamber, G. Tzeveleku, A. Korakas, A. Bougas, J. Psicharis, B. Avdikos, I. Giannakis, **E. Evergetis** and K. Oikonomou.

Policies funded by Community budget and Greek economy

A. Mitsos (Editor)

Bank of Greece, Athens, **2014**, ISBN: 978-960-7032-62-1

2. "Essential Oils of Umbelliferae family taxa as potent agents for Mosquito Control"

E. Evergetis, A. Michaelakis and S.A. Haroutounian*

Integrated Pest Management and Pest Control, 2012, 26: 613-637, InTech Publisher, ISBN 978-953-307-926-4

Citations: 17

3. Parnassus: Flowers of Gods

E. Evergetis

Vulnerable Earth, Hellenic Society for the Environment & Cultural Heritage, Athens,

2008, pp130-131, ISBN 978-960-88435-6-1.

IV. Documentaries

1. "Secrets, Herbs and Remedies" (24 episodes)

E. Evergetis (Scientific Editor)

ERT S.A., 2009.

V. Patents

1. Products originated from the grape-wastes of the traditional cultivar «Mandilaria», of the plant *Vitis viniferae* after vivification process aiming to the recovery of bioactive polyphenols.

G. Kazantzoglou, **E. Evergetis**, P. Magiatis, L.-A. Skaltsounis and S.A. Haroutounian

Industrial Property Organization; Patent Number: **2001α/8-9-2004**

VI. Conference Papers

1. «Essential Oils of indigenous in Greece Juniperus taxa as emerging potent agents for mosquito control»,

Epameinondas Evergetis, Vassiliki-Nafsika Kapsaski-Kanelli, Evangelos Badieritakis, Antonios Michaelakis and Serkos A. Haroutounian

Poster presentation in the 12th Greece-Cyprus Chemistry Conference, 8-12 May 2015, Thessaloniki, Greece

2. «Exploitation of Citrus sp. Essential Oils as Natural Biocides»,

Vassiliki-Nafsika Kapsaski-Kanelli, **Epameinondas Evergetis**, Evangelos Badieritakis, Antonios Michaelakis and Serkos A. Haroutounian,

Poster presentation in the 12th Greece-Cyprus Chemistry Conference, 8-12 May 2015, Thessaloniki, Greece

3. The LIFE+ Project “Development & demonstration of management plans against -the climate change enhanced- invasive mosquitoes in S. Europe” (<http://www.conops.gr>)

R. Bellini, A. Albieri, P. Angelini, C. Venturelli, D. Venturini, S. Haroutounian, **E. Evergetis**, E. Tagaris, R. Sotiropoulou, V. Pasiadis, F. Karaiskos, I. Spanos, A. Sotiropoulos, K. Bithas, C. Richardson, A. Kolimenakis, P. Kalimeris, A. Michaelakis, D. Papachristos, G. Koliopoulos, E. Badieritakis, P. Milonas, G. Partsinevelos and D. Kontodimas.

Society For Vector Ecology, 45th International Conference, **2014**, San Antonio, Texas

4. Preliminary Results of LIFE+ FRAMME, on forest fire impacts

D. Mavrogiorgos, F.A. Pavlidis , S. Karanasiou, **E. Evergetis** and G. Arapis

IUCN World Conservation Congress, 6-15 September **2012**, Jeju, Republic of Korea, Poster Session no 215

5. A novel post-fire management policy tool – the case of the Attaviros natura 2000 site in Rhodes (GR4210005)

D. Mavrogiorgos, F.A. Pavlidis , S. Karanasiou, **E. Evergetis**, N. Theodoridis, K. Balatsouka and G. Arapis

Proceedings of the 12th International Conference on Environmental Science and Technology, **2011**, Rhodes, Greece, pp 1190-1201

VII. PDO – PGI Applications

1. Tomataki Santorinis, EL/PDO/0005/00888
